Common characteristics

Range	Recessed ceiling spotlight for ambient lighting
Description	Body in white aluminium Adjustable mounting with springs
Connection	Delivered with 0.5m standard cable (more length upon request) Individual connection or connection in series on external constant current driver
Use limitations	The product must be installed into a ventilated area. Any use with an ambient temperature higher than the specified ambient temperature (Ta) would lead to a more rapid mortality of the product and the withdrawal of our guarantees. The drivers, if not delivered by LOuss, must be approved before use.
Warranty	Life span: L80B10 at 50,000 hours (80% remaining flux) at 25°C ambient temperature. 3-year parts and labour warranty. The warranty does not apply to products that have been opened, modified or repaired and does not cover the effects of a wrong connection, careless, abusive handling, overvoltage, lighting injury, as well as the normal wear of the product. All products are electrically tested and received a functional burn-in.

All the connections have to be made before powering up, otherwise the luminaire could be seriously damaged.
